

We had our wedding at the Annebrook House Hotel on the 29th of September.. It really was **the most magical day.**♥ They went above and beyond to make our day so beautiful and so special. We would like to say a huge thanks to all of the staff, they went above and beyond for us, our **guests complimented everything from the food**, how beautiful the room was for the ceremony and for the reception, how friendly and helpful all the staff were on the day. You are the nicest team we have ever had the pleasure of dealing with. we would highly recommend having your ceremony and reception here.

Orla was absolutely fantastic and so quick to respond to any of our queries. She did an amazing job with our Harry Potter themed table plan and **made everything so memorable.**

I really did not have to worry about a thing.

Wow! We had the most amazing day. It was situated in the heart of Mullingar Town but you felt like you were in the middle of beautiful countryside. Our family and friends haven't stopped talking about how **welcoming and friendly all the staff were.**

Everything we asked for was delivered , the style, detail and all the effort that went into making our day so special for us, I literally have no words to describe how happy we are with the turn out. Our ceremony was absolutely beautiful. Wasn't rushed , it was perfect. bride I wasn't stressed, Orla was amazing. Thanks to the staff of the Annebrook for giving us a wonderful day

We had our wedding here recently and we could not fault a thing about the hotel. Everything was perfect. It has great location, always clean, food is lovely and the staff is fantastic. The wedding co-ordinators met us on a few occasions to see if everything was going to plan for us. Michael and Orla made us very at ease on the day. Would highly recommend here if your getting married.

We had our magical Winter wedding at the Annebrook House Hotel in November last and what a celebration it was. We couldn't recommend this venue enough. Their attention to detail on the day and the lead up to it, was absolutely outstanding and made the day so special, relaxed, fun and stress free. People were delighted with the service from all the staff and had nothing but praise for their friendliness, the venue, the rooms and especially the food. They deserve every continued success in the future and I'd highly recommend them to any couple who are looking for a fabulous wedding venue with professionalism and service that is second to none.

The Annebrook had everything we were looking for, an amazing package deal, the location, onsite parking and a fantastic events team. The Old House where the drinks reception is held is private from the rest of the hotel. The ballroom is large but could also be made smaller depending on how many guests you are having. The staff were excellent, we could not fault a single one. The food was amazing, everyone enjoyed their meals from start to finish and were talking about it for days after. If you're considering The Annebrook House Hotel for your wedding just book it, you won't be sorry.
